## **INSTRUCTION SHEET FOR THE EXTERMINATION OF COCKROACHES**

1. Tenants must vacate the home / apartment for six (6) hours. Pets must also be out of the home for six (6) hours.
2. All small articles (such as toys, laundry, etc) must be picked up off the floor areas.
3. Thorough cleaning behind the refrigerator and stove must be done prior to our treatment. The stove and refrigerator must be moveable on the day of the extermination. There should be nothing on top of, or in front of, the stove or refrigerator.
4. It is not necessary to move furniture away from the walls. It is not necessary to empty all cupboards; however extra clutter in the cupboards should be removed.
5. Evidence of cockroaches is possible for a period of 21 days. Please do not use any aerosol products and / or any other product purchased for the control of cockroaches after our treatment. Please allow our product time to be effective.
6. Failure to comply with these instructions may result in delay of work being completed by our company.

I have read the above instructions and have followed them to the best of my ability. I consent to have Wagar's Pest Control Ltd. perform the extermination.
